# ENERGY AUDITORS PRE-LICENSING PROGRAM PROVIDERS WHICH LEAD TO CERTIFICATION AND ACCREDITATION PROGRAMS LISTED BELOW APPROVED BY THE NEVADA REAL ESTATE DIVISION ADMINISTRATOR

The following list has been compiled with input from the providers as a courtesy to all licensees and is subject to change. The Real Estate Division does not specifically endorse any one provider nor does it guarantee the information contained herein is accurate. **Contact providers direct for current pricing and schedules.** 

Note: Nevada licensure as an energy auditor requires successful completion of 40 hours of training and practice in an approved program <u>and</u> certification or accreditation from a nationally recognized professional energy auditing program that is approved by the Administrator.

The below listed courses are designed to provide the necessary training, practice, & certification simultaneously.
